Accessing Your Level One Course

Certifications and Credentials · https://wineschool.us/help/accessing-your-level-one-course/

After registering for your Level One online course, you should have received an email from **wineschool.us** within five minutes. This email includes a link to create your password and log in. If you didn’t see that message, it's likely your email provider blocked or filtered it.

Here’s how to get started:

1. Visit the **Student Login Page**: https://wineschool.us/sommelier-student-page/
2. Click **“Lost your password?”** and enter the **same email address you used to enroll**.
3. Follow the instructions to reset your password and access your Student Account.

Once logged in, your course will appear on your dashboard. To avoid future issues, be sure to **whitelist all emails from @wineschool.us** in your email account.
