# Built for Higher Education, and Vocational Schools

General Questions · https://wineschool.us/help/built-for-higher-education-and-vocational-schools/

The NWS platform is designed for institutions of all types, including:

- **Universities & Colleges**: Integrate into hospitality and culinary programs or offer standalone wine certifications.
- **Vocational Schools**: Embed certification courses into job-ready training programs.
- **Wine Schools & Independent Instructors**: Offer certification directly through in-person or online delivery.

All programs are fully digital, affordable, and easy to implement.
