Clarification on Core Certification Labeling

Certifications and Credentials · https://wineschool.us/help/clarification-on-core-certification-labeling/

The term “Core” on your Level 3 certificate refers to the successful completion of both **Level 2 and Level 3** courses. At the National Wine School, the combination of L2 and L3 is collectively known as the **Core Certification**. This label does not refer to Level 1.

If you've received certificates for both levels and one is labeled “Core,” it simply means you’ve passed the full core program.
