How long will it take to complete a course?

Students receive 180 days (six months) from the purchase date to complete a course. This applies even if the purchase is for all three levels.

How does that work?

Each level of our program consists of 7 to 8 weekly lessons. If a student takes one class per week, the coursework should take a maximum of eight weeks.

However, Level One does not require any wine or supplies and can often be completed in a much shorter timeframe. And while Levels 2 and 3 require wine and additional materials, by purchasing these items as directed in the course, students can complete the courses within the 180-day period.

Please note: Your course expires as of the course expiry date. For example, if your course expires on August 1st, the last day to complete the course is July 31st.
