How To Verify Your NWS Credentials with an Identification Code

Certification Questions · https://wineschool.us/help/how-to-verify-a-certificate-or-diploma/

All NWS certificates come with an identification code that certifies the successful completion of our courses. If a potential employer or other authorized party needs to verify your credentials, they can do so by going to the Certificate Verification Page at https://wineschool.us/sommelier-certification-verification/ and entering the code.
