Issues with Logging Into the Site with MacOS

Technical/Computer Issues · https://wineschool.us/help/issues-with-logging-into-the-site/

Are you attempting to log into the site and are sent back to the login page? Are you working on an Apple product? This is a known bug with MacOS with how it handles complex scripts. To circumvent this issue, use the following link to log into the site: https://wineschool.us/wp-login.php
