Per-Student Pricing and Reusable Seats

Professors · https://wineschool.us/help/per-student-pricing-and-reusable-seats/

Student pricing is based on a per-seat, six-month subscription model. Each seat is reusable after completion, making the system cost-effective over multiple semesters.

- **Level 1**: $12/month ($72 total)
- **Level 2**: $17/month ($102 total)
- **Level 3**: $20/month ($120 total)

The full three-level curriculum costs $294 per student. These prices are typically half the cost of comparable programs from European providers.

Educators can begin with as few as ten seats and scale as needed.
