Retaking the Level 2 Sommelier Exam

Certifications and Credentials · https://wineschool.us/help/retaking-the-level-2-sommelier-exam/

If you need to retake the Level 2 exam at the National Wine School, the retake fee is **$100**. You will not need to reuse your original exam kit. However, before scheduling the retake, the school needs to know which wines you still have on hand from the original exam and whether they have been preserved with a **Coravin** or similar method.

Once that information is submitted, your instructor will schedule a **Zoom session** to administer the retake.
