What to Expect After Uploading a Project in an Advanced Program

Current Online Students · https://wineschool.us/help/what-to-expect-after-uploading-a-project-in-an-advanced-program/

When you upload a project for an advanced program at the National Wine School, it may appear as though the file has disappeared. Don’t worry—this is normal. Once uploaded, your project is automatically added to your professor’s review queue. You won’t see a confirmation screen, but your submission has been received and will be reviewed shortly.
