When can I start the next course?

Certifications and Credentials · https://wineschool.us/help/when-can-i-start-the-next-course/

You may begin the next course even if you have not received a final grade for the prior level. For example, you may begin the coursework for Level 3 even if you are waiting on the results for Level 2. Note, however, that you must achieve a passing score to earn certification for any subsequent courses.
